QUALITY POLICY

We are committed to be the center of excellence in revalidation and certification of LPG gas cylinders and tanks in compliance with the applicable legal, regulatory and statutory requirements and strive to be the customers' supplier of choice

We are committed to:-

- **Continuous quality improvement and operational excellence**
- **Promoting a culture in which all employees and suppliers share this commitment**
- **Fulfilling our customers' and other stakeholder's needs**
- **Set targets for improvement and measure, appraise, report performance and review these targets periodically.**
- **Maintain and continually improve a quality management system based on the requirements of ISO 9001:2015**
